

Gerry Connolly's Endorsement of Richard Jessie

I'm proud to endorse my friend Richard "Jessie" Jessie for the seat on the Occoquan School Board. Jessie has fought for his country as a Marine and on the School Board he'll fight for the values all of us share.

Jessie has been a vocal advocate for our schools, teachers, and taxpayers. Anyone who regularly attends School Board meetings will recognize Jessie from his frequent participation in Citizen's Time.

He knows this is a critical time for us to stand firm in our democratic values and make sure Prince William Schools continue to provide a world-class education for all of our students.
